Election date:			Club number:		

## New member fees

All new members must pay a £10 joining fee, as well as the appropriate membership fee for the current year, which depends on how much of the year is left before membership renewals are due in January.

Here are the current fees. The “Month of application” column refers to the month in which you submit your completed application form, with proposer and seconder signatures and accompanied by the appropriate fee.

**NOTE: THE AMOUNT YOU NEED TO INCLUDE WITH YOUR COMPLETED APPLICATION FORM IS THE “TOTAL TO PAY” IN THE LAST COLUMN, IN RED.**

Month of application	Joining fee	First Year Membership fee (to December 31)	TOTAL TO PAY
January - March	£10	£35	<b>£45</b>
April - June	£10	£27	<b>£37</b>
July - September	£10	£18	<b>£28</b>
October - December	£10	£10	<b>£20</b>

In January in the year after they join, all new members will be asked to pay the full annual membership fee for the coming year (the same as for all existing members).
